#### ***About Hong Kong Unison***

Hong Kong Unison (Unison) is a non-governmental organization founded in March 2001 and recognized as a public charitable institution (IR File No. 91/7763) in 2005. We envision Hong Kong to become a fair and compassionate society where everyone, irrespective of race, colour, or creed, enjoys equal rights and opportunities. Over the past 20 years we advocated for better Chinese language education policies for ethnic minorities, worked on expanding ethnic minority students' post-secondary options in education, and strove for equal access to public services.
