

Dear Principal and Officer,

## 2023-2024 Centaline Charity Fund Scholarship

The problem of income inequality in Hong Kong is becoming more and more acute in recent years. It is generally believed that university education would facilitate the kind of upward social mobility that enable second generations of families with financial difficulties to jump out of the poverty trap. Yet, university tuition fees would create another financial burden for these families.

With the mission of supporting the livelihood of the disadvantaged and educating the young generation, Centaline Charity Fund Limited established the Centaline Charity Fund Scholarship in 2011. The Scholarship aims at awarding and supporting **full-time senior secondary school students in Hong Kong** with outstanding academic achievements for their full time **first undergraduate degree studies (Year 1)** in local, Mainland and overseas universities.

### Eligibility

Applicants must:

1. be permanent residents of Hong Kong or have resided in Hong Kong continuously for not less than 3 years and their fathers/mothers must be permanent residents of Hong Kong;
